

The Bones of Deer: A Collection of Canadian Poetry (Paperback)

Filesize: 7.54 MB

Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

(Robyn Nolan)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English. Brand new Book. Impactful lamentations and sensual soul song dug from an earthy, visceral existence and a pensive, youthful penury.these poems include some of the earliest works of the Canadian poet Gordon R. Menzies. As when a skin drum is struck repeatedly and the sound of it echoes through the world loud enough to feel it in your very bones, so too here is what resonates from a natural man of letters when life sends wave after wave of challenges and ambuscades on his intensely personal and winding road above the earth. He's found many things beneath the stones. Embrace the brooding mind of a wild wordsmith untamed.
