Labor Relations Institute, Incorporated, United States, 2014. Paperback. Condition: New. Language: English. Brand new Book. Do you spend your days fighting one employee relations fire after another? It may seem like job security, but it is stressful and unproductive. The U.S. Army discovered in Afghanistan and Iraq that jumping from one fire to the next isn't just unproductive, it costs lives. The goal of this book is to teach you some principles for creating this energy shift that is so elusive for some organizations. We often look for quick fixes and instant gratification. Give us something in a box that will solve all...
